

AN UNFORGETTABLE SCIENCE EXPERIENCE FOR CHILDREN

ADOPTION:

Want to provide a home for a little chick? **Cock-a-Doodle-Do** provides an adoption program for the chicks. Any chicks that are not adopted will be brought back to **Cock-a-Doodle-Do** where they will be provided with a good home.

ORDERING:

When you place your order we will need 5 weeks notice before delivering you the **Cock-a-Doodle-Do** package.

“ THIS IS AN EXPERIENCE YOU WON'T FIND IN A BOOK. THEY BROUGHT THE FARM TO THE CLASSROOM. ”

“

THIS PROGRAMME GAVE THE CHILDREN SUCH A GREAT OPPORTUNITY TO EXTEND THEIR UNDERSTANDING AND LEARNING ABOUT THE NATURAL WORLD. I HAVE NO DOUBT THIS EXPERIENCE WILL BE REMEMBERED AS A VERY HAPPY ONE AND REMAIN WITH THEM FOR MANY YEARS TO COME.

Stella Lanigan
Gortnahoe Playgroup

”

WHAT YOUR SCHOOL GETS:

You will receive 7 fertilized eggs ready to hatch within 2 days. Everything you need is brought to you by Cock-a-doodle-doo staff, which are fully garda vetted and child protection certified.

We will give clear instructions on how to care for the chicks once they are born, as well as providing a 24 hour call service to answer any questions that may arise.

PRODUCTS YOU ALSO RECEIVE

INCUBATOR

CAGE

BROADER

FEED AND WATER

BEDDING

ABOUT US:

Our aim at Cock-A-Doodle-Doo is to provide an exciting and innovative educational tool directly to your school

We are a school hatching programme that brings fertilized chicken eggs to schools so that the students watch them hatched.

Once the chicks are hatched they will be left with you for a further weeks so that you can enjoy their antics
